

### Mixed Material Legs

Is it wood with a metal accent, or metal with a wood accent? No matter what you call it, everyone wants it. At Designs of Distinction, both our Furniture Findings and Kitchen and Bath catalogs feature all the metal and wood accents you need. From our pretty 6" Tip Toed feet, to our 5" Island support columns, we have a style and a size that will fit your design.

Our furniture feet are available in 6", 9", 18", 24" and 29" height in both traditional and mid-century styles, while our square posts are available in 2", 3", 4" and 5" size, all designed for dining or cabinet height application. New in 2020 are square posts with 4.5" toe kick metal sleeves. The perfect understated element for all of your designs.
