### Now Offering: X-Panel Shipments without a Pallet

**(Chicago, IL):** Designs of Distinction<sup>®</sup> [DOD] now offers to ship X-Panels without a pallet. With new custom boxes and packaging, all X-Panel sizes can ship via UPS or FedEx as small package shipments with no loading dock required.

DOD carries X-Panels in 1.5" or 3" widths, with or without a 7" trimmable bottom, at 34.5"H and 25" or 36"W. Stock species include Red Oak, Alder, Cherry, Hard Maple, White Oak, or Walnut. Made in the USA from North American Hardwoods, X-Panels are sanded and ready to paint or stain upon delivery.

DOD recently introduced X-Panels with a backer. Backers fit directly into the recessed side of the panel for a seamless look. Backers & X-Panels ship unattached for easy finishing.
