### Elevate Your Designs with Built-to-Order Contemporary Flush Bistro Shelving

**(Chicago, IL):** Designs of Distinction's [DOD] line of Brass Bistro Shelving now includes flush-style arms, poles, and fittings. The new Contemporary Flush Bistro Shelving offers a seamless design and a smaller profile.

DOD's new Contemporary Flush Bistro Shelving features a smaller profile with a sleek appearance that fits well in modern designs. Made from real lacquered brass, DOD stocks Flush Bistro Components in Satin Brass and Polished Brass.

Custom finishes include Antique Brass, Oil Rubbed Bronze, Satin Nickel, Polished Nickel, Antique Copper, Satin Copper, Polished Copper, and Flat Black.

DOD's Bistro Shelving began when several trends merged in the Kitchen; open shelving, metallic accents, and high-end custom design, to name a few. Realizing there was a lack of supply and custom programs for Brass Bistro Shelving, DOD tested dozens of components and finishes, adapting the program as new trends emerged.

With two stock kit options – three shelves or four shelves – Contemporary Flush Bistro Shelving is ready to ship today!
