

## DECORATIVE GRILLE & MESH

Our Decorative Grille & Mesh can be used on their own or combined for a layered look. Available Cut-To-Size or as whole or half sheets.

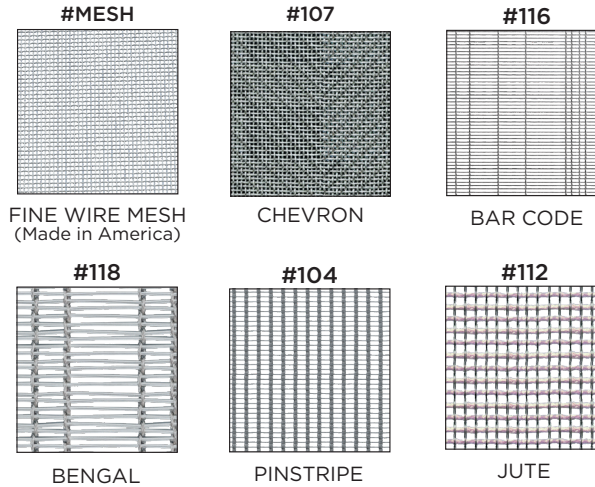

## METAL FINISHES

\*Grille with rosettes are only available in Antique Brass.  
 \*\*Can be installed in the traditional diamond configuration or flipped to square for a contemporary look.

## ITALIAN MESH

Our Italian mesh adds modern texture and color to your designs, both inside and outside of your business spaces. Made from finely woven wires like a metal textile, Italian Mesh can be installed on cabinet doors, panels, wall accents, furniture, and more. They can even withstand the elements of outdoor use\*. Available Cut-To-Size or as whole or half sheets.

\* Warranty may not apply when used outdoors.
